1. Editing of the Research Journal is processed without any remittance. The selection and publication is done after recommendation of subject expert referee.
2. Thoughts, language, vision and example in published research paper are entirely of author of research paper. It is not necessary that both editor and editorial board are satisfied by the research paper. The responsibility of the matter of research paper is entirely of author.
3. In any condition if any National / International University denies to accept the research paper published in the Journal then it is not the responsibilities of Editor, publisher and Management.
4. Before re-use of published research paper in any manner, it is compulsory to take written acceptance from Chief Editor, unless it will assumed as disobedience of copyright rules.
5. All the legal undertaking related to this journal is subjected to be hearable at Lucknow jurisdiction only.

International Journal of Innovative Social Science & Humanities Research

The ***Editorial Board*** members edit manuscripts after they have been peer-reviewed. The Editor ensures that revisions have been completed if requested by peer reviewers. The Editor also make sure that manuscripts are grammatically correct, consistent in style, readable, and free of plagiarism or other scientific misconduct.

The ***Review Board*** members are expert in their respective subject area. In order to encourage a double blind review process where the referee remains anonymous throughout the process, we haven't formed stable Review Board. For each issue, we are inviting guest reviewers according to article received of particular subject. Reviewers are expected to write reviews in a timely, collegial and constructive manner.

The **International Advisory Board** provides advice and guidance for the ongoing development of IJSIRS journal. We are always open to new ideas and suggestions for enhancing the quality and stature of our journal.
